Committed to furthering education; hold Technical Certificate of Credit (TCC) in Early Childhood Care and Education.

## CORE COMPETENCIES

Music & Art Integration | Differentiated Curriculum | Classroom Management  
Child Development | Flexible Lesson Planning | Student Safety | Regulatory Compliance

## PROFESSIONAL EXPERIENCE

THE WALKER ACADEMY | Woodstock, GA

2014 – Present

**Kindergarten Teacher | 2012 – Present**

Teach a class of 12 students in the core areas of math, science and phonics.

- Actively developed and maintain positive parent relationships by communicating student progress on a day-to-day basis.
- Successfully adopted group breakouts for separate instruction, helping children to develop strong communication abilities and tackle complex problems while learning to share perspectives.
- Effectively employed differentiated instruction and tutoring to bring non-readers up to a kindergarten reading level while also meeting the needs of advanced students functioning at a 2<sup>nd</sup> grade level.

**Pre-School Lead Teacher | 2011 – 2012**

Taught 3 and 4 year olds with 12-18 students per class.

Proved highly successful engaging children in a safe, organized and stimulating classroom that encouraged creativity, exploration and decision-making. Created a fun learning environment, fostering social and emotional growth.

- Expanded curriculum in collaboration with three fellow Lead Teachers, playing a pivotal role in developing children's full potential by shaping key academic, social and cognitive skills.
- Selected to work with two hearing impaired students with cochlear implants during transition from Speech School into 4-year old class.
  - Observed by Pathologist, receiving praise for voice fluctuation and eye contact that proved key in children's success within traditional classroom setting.
